As a recent winner of the September global diversity grant I wanted to share a little about my students' participation in Global Read Aloud Program. The past week of September 30 was the first week of the program. I thought I'd share with you a few videos regarding our work so far.

This [first video](#) is an introduction to the Global Read Aloud Program.

This photo is of one class of my students with copies of the book, *The Bridge Home*. I am pictured with my students and the principal.

In the upcoming weeks, we will be spending time reading the book, *The Bridge Home* and participating in Skype sessions with other students reading the same book. I will share videos of these sessions.

Once again thank you for the gift of money as a class set costs about \$400.
